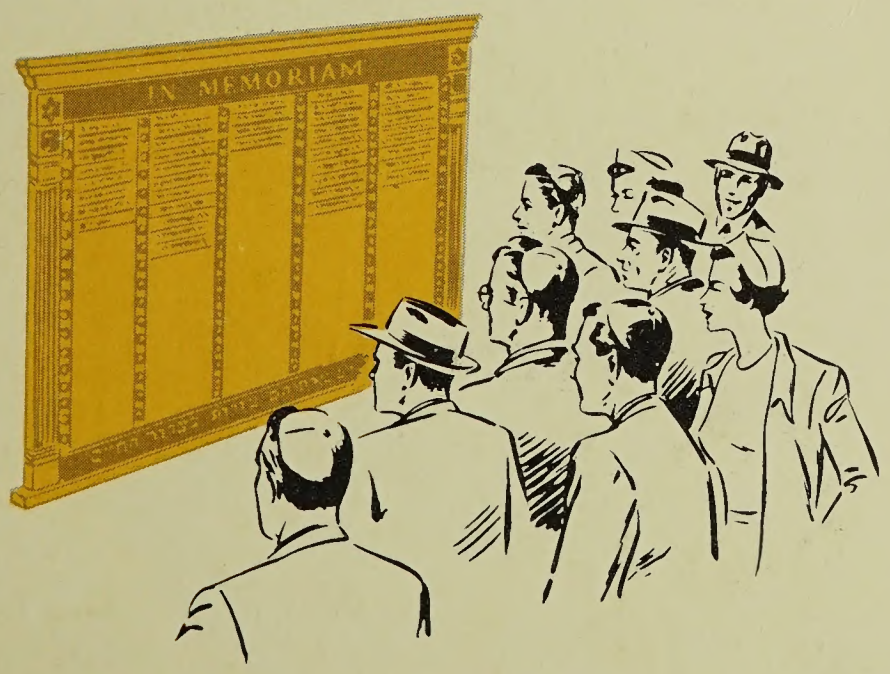
Everlasting, dignified...

BRONZE TABLETS

for Synagogues and other Jewish Institutions

THE MEMORY OF departed loved ones is most effectively perpetuated in Jewish organizations through illuminated Bronze Yahrzeit Tablets and similar everlasting memorials. In addition to comforting the bereaved, these memorials provide a constant source of income for advancing the organization's important work in Judaism. They combine dignity, strength, beautiful design, master craftsmanship and absolute permanence.



"Bronze Tablet Headquarters"

United States Bronze Yahrzeit Tablets and memorials, as well as Sculptured Portraits, Honor Rolls, Bas Reliefs, Medallions, Nameplates, Awards, Testimonial Plaques and others, are enthusiastically accepted throughout the United States and Canada.

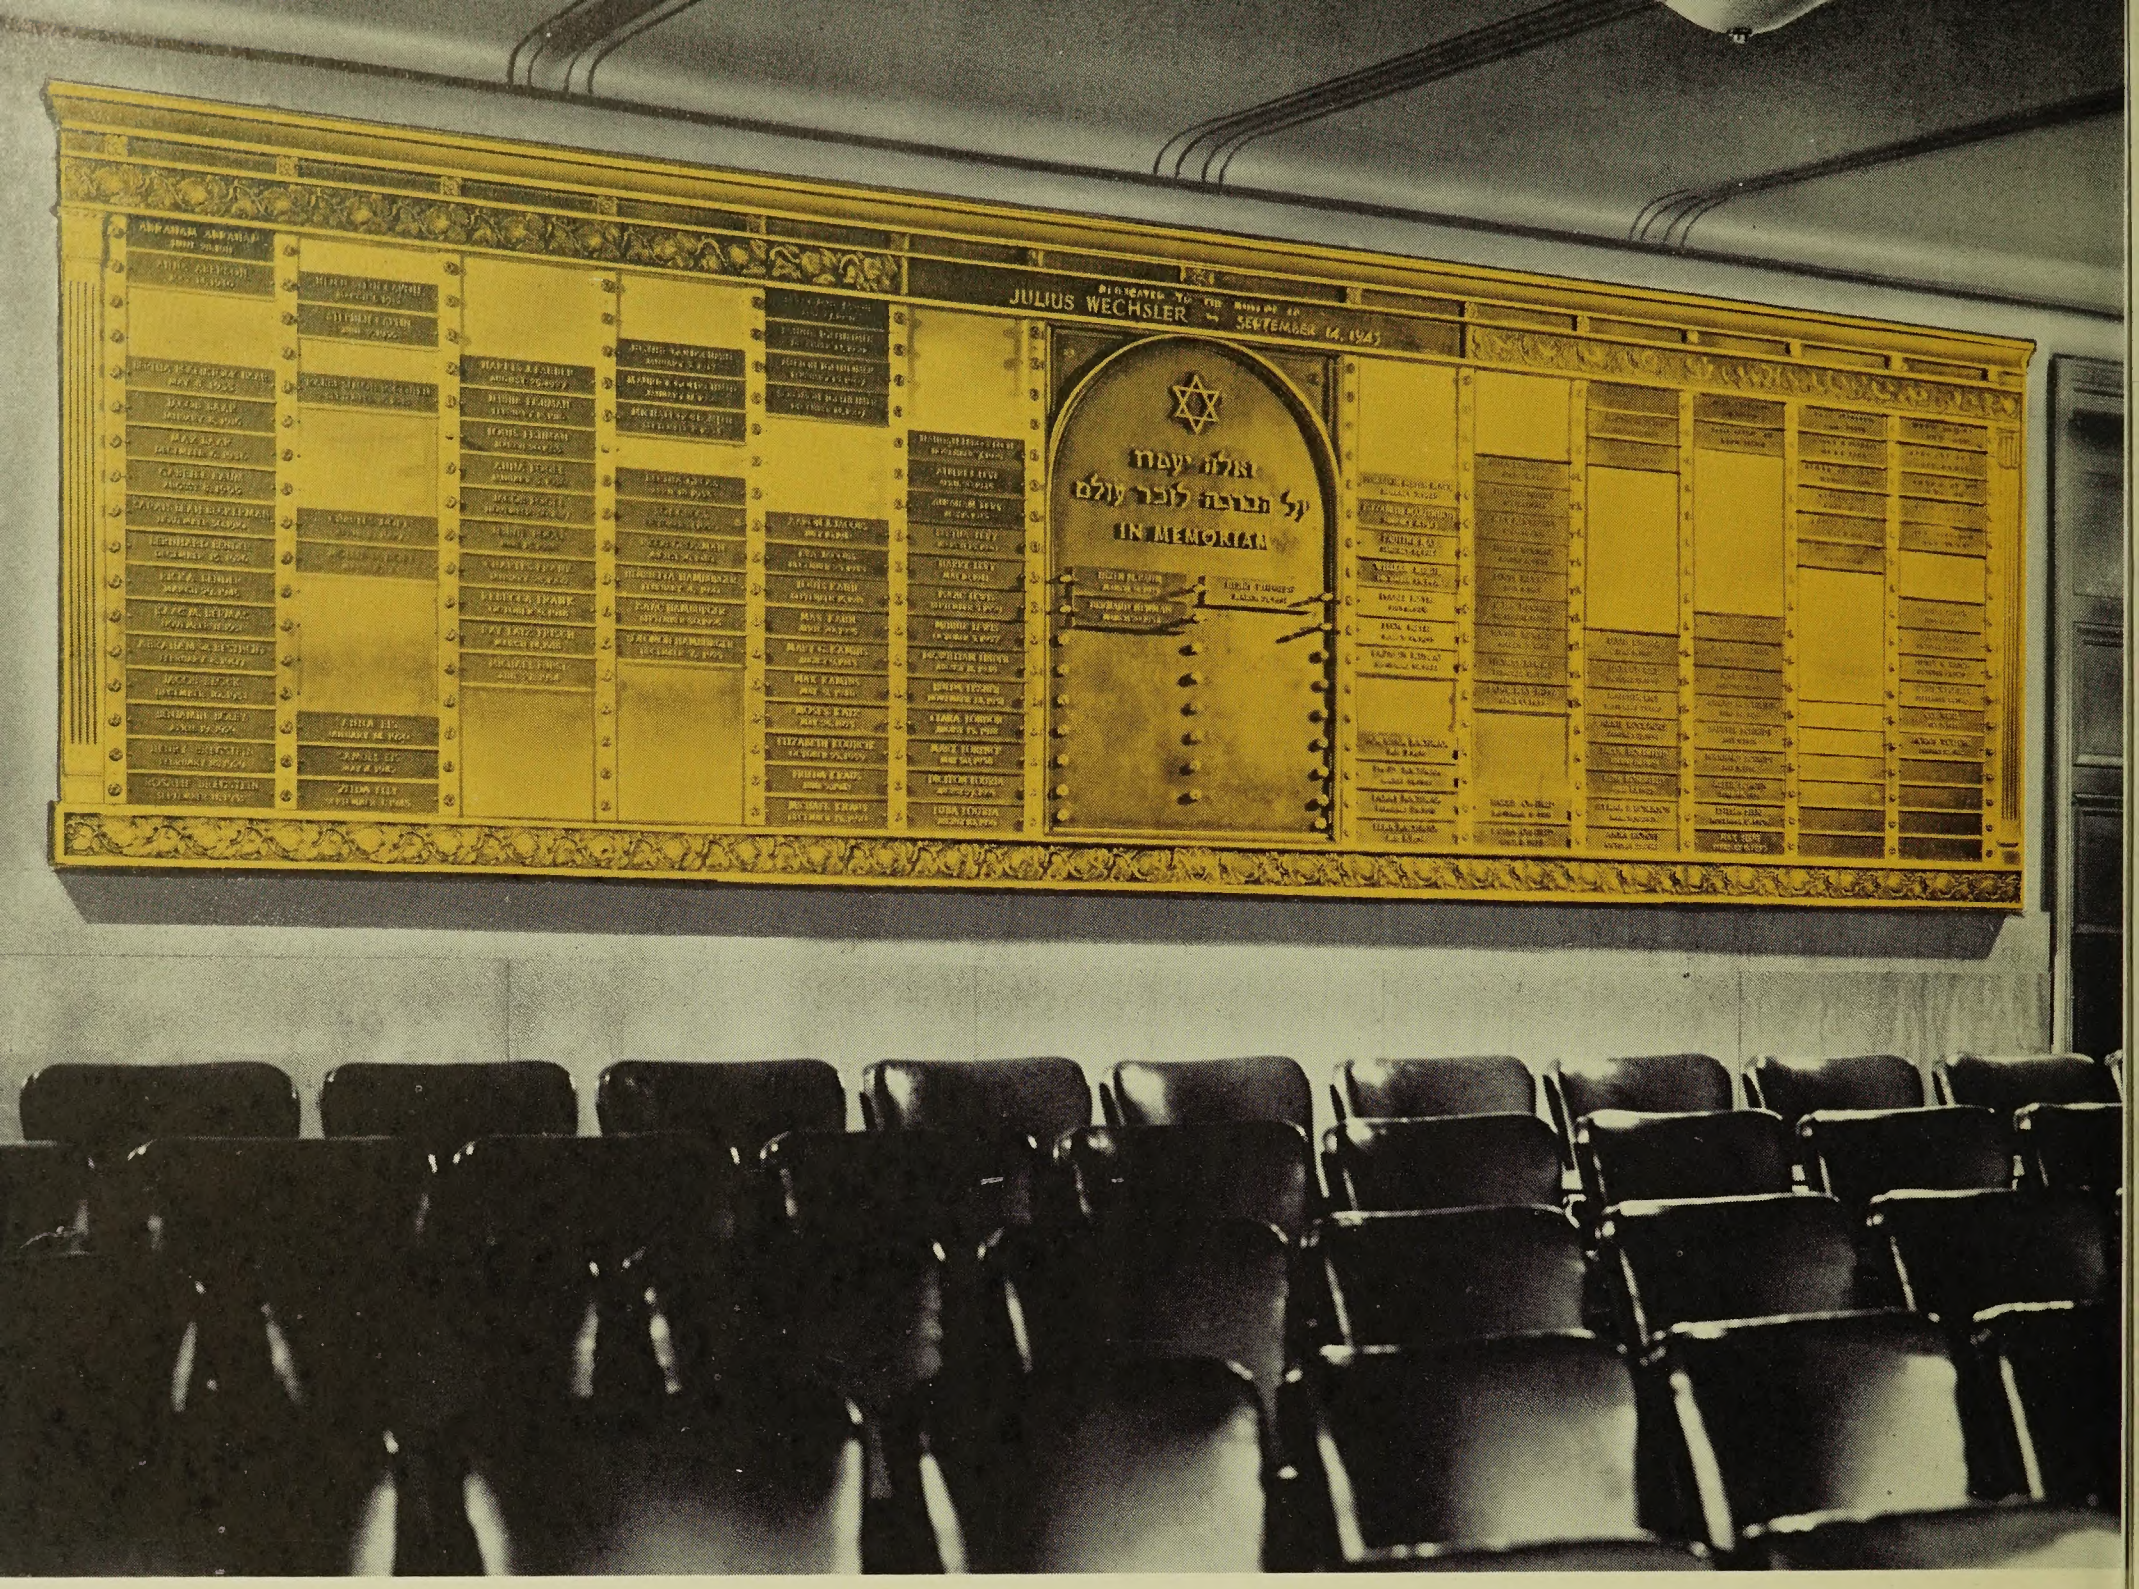
570 BROADWAY • NEW YORK 12, N. Y.



This Yahrzeit Tablet, one of the largest ever made, was especially designed for Union Temple, Brooklyn, N. Y.

The large, impressive Yahrzeit Tablet illustrated above embodies dignity, beauty and harmony. Almost fifteen feet long, this tablet has quiet simplicity, strength and inspires reverence. It will remain for generation after generation, an eternal tribute to the memory of the departed.

UNITED STATES BRONZE Yahrzeit Tablets accommodate 2″ x 10″ bronze memorial nameplates. The plates, cast in one solid piece of everlasting bronze, are large enough for an inscription of three lines in both Hebrew and English. All the lettering is raised in relief and rendered a smooth, bright satin finish. Our Yahrzeit Tablets are wired on the back to permit the lighting of a small lamp next to each nameplate.

The ornamental borders are fashioned in massive, solid bronze, beautifully sculptured, exquisitely hand-tooled and highlighted, bringing out the natural beauty of the "Metal of the Ages." The donor's inscription and the name of the institution are also cast in bold, legible relief.

Whether your plans permit a large, elaborate, sculptured tablet or one of modest proportions, our complete, modern facilities assure you of an absolutely first-class job. Bronze workers thoroughly schooled in Jewish tradition carefully design and construct each tablet to order. Our tablets are moderately priced to come within any budget, however limited.

Send us the approximate size of tablet you are interested in, the number of names you wish to accommodate or the amount of wall space available, for quotations, suggestions and photographs. To further assist your committee in visualizing the finished Yahrzeit Tablet, we will furnish Preview Drawings in color without cost or obligation. Our service also includes free pledge forms to aid in fund raising and assistance in planning the dedication ceremony.
